| Fri 17 | Yr11 Photography Mocks all day in C3 Yr5/6 Athletics with Mr Leach @ LED (am) |

IT UPDATE - BROMCOM

Today we have finally made the move to Bromcom, where you will be able to access all student information and communications in one place. Please bear with us during this transfer; we do anticipate some teething problems but will be working as hard as we can to get everything up and running as quickly as possible. Look out for the link today to set-up your account, but please don't worry if you have any problems; just email admin@honiton.college and we will get back to you as soon as we can. Thank you.

PARKING at HCC

We have lots of new signage around our car parks to inform visitors and members of the public of the car parking charges that apply. Please remember that this is managed by an external company and they need to be contacted directly in the result of a dispute.

If you are visiting the College for a meeting or an event, you are able to log your registration with our staff in reception to park without charge for the duration of your visit. However, please ensure you speak to a member of staff before leaving your car, and log your registration details as instructed.

Student Medication

There are occasions when students are not well and they may need to take medication in school. We are happy to support with this as we appreciate many parents and carers are working during the day. To ensure we are giving the correct medication, at the correct time and have your permission, **we require parents/carers to complete this form prior to dropping off medication in reception.** This includes prescribed medication and over the counter medication such as paracetamol, anti-histamines etc

If you know we currently hold medication for your child can you also please complete this form by the end of Wednesday 15th November.

Please ensure that any medication you provide us with is in date and the expiry date is clearly visible. We complete regular checks on what we hold and will dispose of any medications that are out of date. If we do not have your written permission, we will not be able to give it to your child. **Thank you for your help with this.**

ANTI-BULLYING WEEK

The week of November 13th is anti-bullying week. This week provides us with the opportunity to reinforce the importance of kindness and respect at Honiton Community College. We believe that every student deserves a safe, predictable and calm environment in which they can learn, thrive and be successful both academically and personally.

ANTI-BULLYING WEEK 2023

Assemblies this week will focus on anti-bullying week and how together we are going to continue to build a school culture where bullying is not acceptable.

If you have any concerns relating to bullying then please do ask your child to report them using the online reporting form on the college website.

November 2023 Community Swap Shop

The Honiton Community Swap Shop!

OPEN FROM 11AM TO 2PM!
ALL AGES AND SIZES AVAILABLE!

**Saturday 25th November 2023
Christmas Swap Shop**

Honiton Community College

COMPLETELY FREE!

BRING YOUR UNWANTED CLOTHES AND GRAB SOME NEW ONES.
OR DONATIONS TO THE HCC HARSHIP FUND IF YOU HAVE NOTHING TO SWAP!

This swap shop will have a Christmas theme and last year we found lots of children in particular appreciated the opportunity to pick up a gift for their family without the cost implications that can sometimes present a challenge.

We would be very grateful for the normal donations of clothes but would also appreciate donations of unwanted gifts you may have at home as well as toys, games, books and Christmas decorations that are in good condition. All donations can be dropped off in Reception. Thank you very much in advance.

For anyone who has not come along before, this event is held for the local community in our Drama Hall, and is a chance to come and pick up clothes, bags, toys and games that have been donated. Bring along something to swap if you can, but it is not compulsory.

Tea/coffee is available, as well as food donations from our local Food Save.

We hope to see you there, anytime between 11am and 2pm.

Apply NOW to Post-16 at Honiton Community College

Post-16 Applications

More information on our Post-16 provision can be found on our website, and a pop up link will appear to click on for applications.

If you have any questions about our provision, please email Selena Burroughs at Selena.burroughs@honiton.college
